## ABOUT US

As the primary charitable organization for the commercial real estate industry in Greater Milwaukee, the Real Estate Alliance for Charity is a non-profit organization that raises funds through interactive and engaging activities for local charities. REACH is supported by local companies, individuals and represents an unrivaled partnership of allied real estate associations.

Currently, REACH gives over \$60,000 to local charities each year, both through our annual charitable giving program and one-time high impact grants. REACH focuses on supporting charities whose primary goal is to serve the needs of women and children in Wisconsin.

Since its inception in 1998, the financial contributions from REACH's Charitable Funds have been directed to over 70 Milwaukee organizations that focus on making our community a healthier, more vital place to live. Over the last 25 years, REACH has donated over \$875,000 to its incredibly worthy charities. Our funds have helped the hearing and visually impaired, given a hot meal to those in need, provided educational support, and offered a safe haven to kids and families with nowhere else to turn.

## UNABLE TO SPONSOR? YOU CAN SUPPORT REACH IN OTHER WAYS!

We know the commercial real estate organizations love to give back to the community in any and all ways that they can, however, sometimes a full sponsorship just isn't in the budget.

If you or your company is unable to participate as a sponsor, please consider making a one-time financial gift, suggest/offer your venue or volunteer to help at one of our events! We could always use an extra pair of hands.
